THE BASICS:

Hi! I am Mrs. Robin Accardo to most and Ms. LeCompte to a few. I will answer to either name, and I sometimes get them mixed up myself. 😁 My husband, Philip, and I live in Central and enjoy spending time at our camp, gardening, and traveling. We have 7.5 grandchildren, Vince (8) Elliott (7) Ellie (6) Scarlett (3.5) Creed (2) Benjamin (2 weeks) and Baby Wren Elizabeth due in January. When I'm not at school, I spend as much time with each of them as possible. More often than not, It's a wild and crazy ride, but I wouldn't trade this chosen chaos for anything else. This is my 5th year at Baton Rouge Center and my 2nd year as the K-2 Reading Interventionist. Starting over in a "new-to-us" building is sure to be challenging at times, but I am expecting a great year nonetheless.

MY CHILDHOOD:

Ponchatoula LA

I grew up in Ponchatoula, Louisiana on a strawberry farm. I am the middle sister and the only left-handed person with red hair in my immediate and extended family. Reading and writing were my first loves as a child and remain a huge part of who I am today. I own approximately 3000 children's books and love sharing them with my students.

EDUCATION:

LIONS

I attended Ponchatoula High School and could most often be found in the library when not in class. I graduated from SLU with a degree in Elementary Education in 1999. I have taught every grade from K-8 at some point in my career. I enjoyed each grade level for different reasons. I still enjoy taking courses to learn more about how children learn to read and write.
