

Meet the Teacher

THE BASICS:

Hello! My Name is Ms. Ashley Cook . I currently live in Baton Rouge with my 2 year old pet son who is a cat named Mega Cook. I enjoy long walks on the beach, listening to rain, and eating a variety types of bread. I have always had a passion for art and truly enjoying helping others so becoming a teacher came second nature to me. While this will be my third year as a art teacher, I join my new team eager to learn and excited to contribute to something greater than myself. This year, the thing I look forward to the most is getting the opportunity to create meaningful connections with not only the students but with the staff and parents!

MY CHILDHOOD:

I was born and raised in Houston, Texas. On the playground is where I spend most of my days. I moved to Baton Rouge for high school (Belaire High School) with my mom and have lived here ever since. I am a middle child of two boys, so you can only guess where my patience comes from.

EDUCATION:

In May of 2020, I graduated from LSU with a bachelor's degree in Fine Arts. My concentration during my four years was in graphic design. After graduating I spent two years working as an Americorps member volunteering and mentoring students for schools in EBR. Before joining my new team, I taught middle school art for 2 years. As I approach my third year of teaching, my goals are continuing to learn new techniques and skills to provide my students with tools that can help them learn a better sense of self.
