

Meet the Teacher

THE BASICS:

Hi! My Name is Lauren Suho 🛎️, but you probably know me as Ms. Switzer. This will be my 14th year teaching and my 7th year at BRCVPA! This year I'll be teaching 5th Grade Math. Whoop Whoop! I truly love the energy surrounding BRCVPA throughout the school year. I joke to my family and friends that BRCVPA is High School Musical...the elementary version. New Name! New School! New Year....Let's do this!

MY CHILDHOOD:

I have an amazing mom and two younger sisters. I was born in Arizona, my sister Caitlin was born in Virginia, and my youngest sister, Analie, was born in Nevada. Needless to say, I know what it's like to be the new kid! After all of that moving, Baton Rouge is home!

EDUCATION:

Honestly, I wasn't the best student growing up, even though I loved school. Studying was never a priority...there were just too many other things to do! One year, I had a teacher who changed my life and helped me develop study skills. After that, school was fun AND so much easier! Keeping that in mind, I graduated from LSU in December 2009 with a degree in Education so I could be that teacher for future students.
