

Meet the Teacher

THE BASICS:

Hi! My Name is Ms. Wolfe. This will be my third year at BRCVPA, and I am so excited!! I've been with EBR schools since 2014. Before that, I worked in Greenville County Schools in SC. I love teaching and working with students, and I have a passion for learning which I try to pass on to them. We truly have an amazing learning environment here at BRCVPA, and I look forward to our students arrival!!

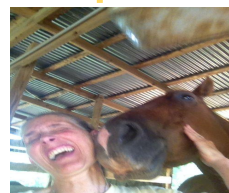

MY CHILDHOOD:

I grew up in Greenville, S.C. and attended Greenville County Schools from 1st through 12th grade, graduating from Southside High. During my time in school, I helped classmates with their reading and comprehension, played sports, was in the orchestra, and on the science team.
