

Meet the Teacher

THE BASICS:

Hi! My Name is Ms.Hanna Baham. I just moved back to my hometown of Baton Rouge, Louisiana from living in Houston, Texas for the last 3 years. I'm very excited to be back and pour into the young minds of the future here at BRCVPA. This year I will be teaching 5th grade English. I look forward to encouraging and inspiring our youth while building strong bonds within our community.

MY CHILDHOOD:

I grew up in Baton Rouge, Louisiana and attended BRCVPA for K-5th grade. Earning the opportunity to return and teach at my alma mater is truly a full circle moment I am very grateful for. I am the eldest of 2 children, as I have a younger brother who is one of my best friends. Together we enjoy watching movies, playing video games, and playing outside with our dog.

EDUCATION:

I am a proud graduate of Howard University, with a degree in business management and minor in marketing. I worked in supply chain management prior to transitioning into education. In that transition I discovered my passion for public policy, and implementing different standards to improve the way our students are taught and our teachers are treated. I am currently a LSUS grad school student studying public health policy and systems management.
