

Meet the Teacher

THE BASICS:

Hi! My Name is Mrs. Hoskins. I live in Baton Rouge with my husband and my two (soon to be 3) girls, Willow (4) and Oaklyn (2). This is my 10th year in education and I could not be more excited to be spending it back at BRCVPA! Over the years I have served as a mentor, a teacher, and a Math coach. My true passion is working with children and watching them develop a love of learning and a confidence in their abilities. I am so optimistic about this year and can't wait to see what the future holds!

MY CHILDHOOD:

I grew up in Youngsville, Louisiana and attended schools in Lafayette to be part of the gifted program. I was an athlete and did everything from softball to cheerleading. I was an outgoing kid and loved spending time outdoors. I graduated from Lafayette High School in 2009 and moved to Baton Rouge to attend LSU.

EDUCATION:

In 2013, I graduated LSU with a degree in History. I went on to serve in EBR schools as a City Year corps member where I discovered my passion for elementary education. I went on to receive my Masters in the Art of Teaching with a concentration in Urban Education and Educational Leadership from Southern University.
