

Meet the Teacher

THE BASICS:

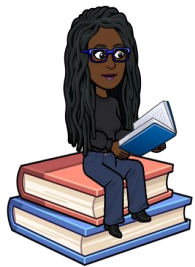

Hi! My Name is Ms. LaMonica Dixon! I have two adult children, a son and daughter. This will be my 17th year teaching school. I came to BRCVPA in 2019 as the fourth and fifth grade Social Studies teacher. I LOVE BRCVPA! It is the BEST school ever! The students are kind, smart, and wonderful! The parents have been a tremendous support! I also have the opportunity of working with an amazing faculty and staff! We also have the BEST administration in the world! We are going to have a great year of new learning opportunities and growth! I can't wait to see everyone again! Be happy, healthy and safe!!!

MY CHILDHOOD:

I'm originally from New Orleans, Louisiana! I moved to Phoenix, Arizona for a few years. Then, we moved back to Baton Rouge, Louisiana when I entered middle school. I have one younger sister, who is also a middle school teacher. We were raised by our mother, who always made sure we had the best in life. I'm very grateful for my childhood.

EDUCATION:

I graduated from Scotlandville Magnet High School in 1997. I graduated from Southern University and A&M college in 2002, where I was involved in many campus activities. I also graduated from the University of Phoenix in 2006 with a graduate degree in Management.
