

# Meet the Teacher

## THE BASICS:

Hi! My Name is Ms. Michelle Wojewoda. I moved to Baton Rouge, from California, in 2003. I live with my daughter, Chloe, who is 10. She is a student at BRCVPA and is in the 5th grade. I spent my first five years teaching in San Jose, CA. After moving to Louisiana, I taught at Glen Oaks Park Elementary and Magnolia Woods Elementary. The vast majority of my teaching career has been teaching English to third graders. So, when a third grade position arose to teach english language arts and social studies at BRCVPA, I jumped at the opportunity. This will be my 26th year teaching, and I feel blessed to be part of the BRCVPA team.

## MY CHILDHOOD:

I grew up in Coalinga, CA. I have a younger brother, Terence, and an older sister, Susan. I have fond memories of growing up water & snow skiing, riding four wheelers, and spending time with friends building forts in the creek. I graduated from Coalinga High School, later attending California State University Fresno.
