

Meet the Teacher

THE BASICS:

Hi! My Name is Mrs. Kate Robshaw. I live in Baton Rouge with my husband, Justin, and our two dogs Winnie and Brew. I came to BRCVPA in the 2023-2024 school year as a kindergarten teacher and I could not be more happy to teach at the same school that I attended as a student. I believe that moral autonomy, mutual respect, and problem solving are three crucial qualities that children need to develop and practice in order to effectively use for the rest of their lives. As a kindergarten teacher I feel honored to guide my students in their journey as they begin their academic careers. I absolutely love teaching and am truly passionate about building and fostering a love for learning within each of my students.

MY CHILDHOOD:

I grew up in Baton Rouge, Louisiana and attended BRCVPA from Kindergarten through 5th grade. After leaving BRCVPA I went to Glasgow Middle School, then Baton Rouge Magnet High School. I have a younger brother, David, who also followed the same public school path as I did. As a child I loved being outside, playing with my brother and our dogs, reading, and cooking and being with family.
