

# Meet the Teacher

## THE BASICS:

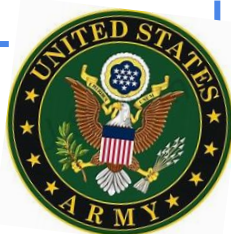

Hi Everyone! My name is Kimberly Turner and I live with my wonderful blended family of 7! I have 3 children biologically (2 boys and 1 girl) and 2 bonus daughters from my partner. This is my first year at BRCVPA as the pre-4 teacher and I am very excited! I believe that this will be a very exciting year because we all (me and my students) will be in a new space meeting new people while learning and growing in different ways together!. I can't wait to meet all of the families of BRCVPA and enjoy what I know will be a great school year for all of us!

## MY CHILDHOOD:

I grew up in Ethel, Louisiana which is in East Feliciana parish. I attended Slaughter Elementary school and then moved on to Jackson Middle and High School to complete my grade school years. In high school I was the Battalion commander in JROTC, I played basketball, ran track, and was a cheerleader.

## EDUCATION:

I joined the military in September of 2007. I trained in Fort Jackson, South Carolina. After graduating from basic training, I went on to cooking school in Fort Lee Virginia to become a military chef. In 2010 I went to Camp Beauregard to attend school to become a military police officer to deploy with my unit to Iraq. I've done many deployments/activations, but as time went on, my family grew and I decided to serve in the guard and became an autistic para/ dance instructor while going to school at the University of Phoenix. I obtained my bachelor's degree in early childhood education and now I am a pre- k teacher!
